EDUCATION

MASTER'S DEGREE

National University of Science & Technology / Islamabad, Pakistan / 2012

International Islamic University, Islamabad, Pakistan | Graduated: May 2010

Studied business skills like managing projects, working with teams, and understanding how companies run. Learned about finance, marketing, and how to make good decisions for a business. Developed a strong foundation in business principles to contribute effectively in professional settings.

Explored a range of scientific and technological subjects, gaining a solid understanding of how things work. Studied various scientific disciplines, including physics, chemistry, and biology, alongside technology-related courses. Acquired problem-solving skills and a strong foundation in science and technology principles to apply in real-world scenarios.

SKILLS

Web Developer

Recent completed a project tenure with China Smelter and looking for an opportunity in web development. Highly poised and dedicated with a strong education in design principles and programming languages.

WORK EXPERIENCE

China Smelter

Mar 2013
Islamabad, Pakistan

WEB DEVELOPMENT MANAGER

Worked with designers and project managers to turn project ideas into good-looking websites. Used HTML, CSS, and JavaScript to make web pages that are interesting and interactive. Handled special projects designated by senior developer. Managed project and web strategic planning for entire team. Created special designs and functions for websites using WordPress. Checked and fixed problems on websites to make sure they run smoothly. Used tools to track how well websites were doing and suggested improvements. Kept up with the latest trends and learned new things to bring fresh ideas to projects. Helped team learn how to manage and update the websites. Created frameworks to detect functionality and establish smooth performance. Scheduled meetings with clients to discuss website design preference and requirements. Responded to queries on private messages or comments to address issues and resolve complaints.
